ALL POINTS NORTH MODEL RAILROAD CLUB

Volume 21

Number 4

April 2002

Side Tracks

Needless to say I am very late on the April newsletter but I wanted to have one published so it will be short and sweet, and the May newsletter will cover the monthly meeting held last week Saturday!

Spring is finally here and so is the time we need to start cutting and trimming the grass as needed.

Remember the monthly crew is responsible for this task as well as their inside duties. Additionally the crew needs to police the cut areas to remove any trash or dead fall from the trees.

Hopefully the grass will fill in a little more around the building and it will look a bit nicer.

Lastly please note the addition of the new members to the maintenance schedule starting in May.

Membership Drive

I want to remind each of you that promoting our club to “**quality**” prospective members is everyone’s responsibility. We are meeting our membership goals of two new members a year, but I challenge each of you to promote our club whenever possible and sponsor one new member in the next 12 to 18 months.
