Steve Dennis	X		
Rich Clayton	X		
Mark Herzog	X		X
and possibly Randy Handley			

Started in 1981, the Scenic Cascade Division of *The Great GREAT NORTHERN RAILWAY* is a big, two level layout with a double track helix and 500' of mainline running. Designed for operation, there is a main yard in Seattle, 6 switching towns and 4 offline staging areas. It is completely scened with lots of bridges and other structures. A brand new busy downtown area has just been completed with lots of animation.

to Downtown

Fuddruckers
11950 Kurland Dr
(281) 484-7371

Don and Bettye Bozman 10831 Sagebluff
phone: (281) 481-0352

From either direction on Sam Houston Tollway (southeast side of Houston near I-45) take Beamer exit (turn right if eastbound or left if westbound). Follow Beamer 0.3 miles to traffic light and turn right at Hall Rd. Down Hall Rd. for 0.6 miles to Sagebluff and turn left. Go one half block on left. Follow driveway and enter thru rear
